

Public Works and Infrastructure Record of Proceedings

CALL TO ORDER: by Mayor Wolford at 6:33 PM; Pledge of Allegiance said

PRESENT:

COMMITTEE MEMBERS	Mel Amos; Andrew Bahnsen; Craig Ricard
OTHER OFFICIALS/EMPLOYEES	Mayor Wolford
RESIDENTS/NON RESIDENTS	None present

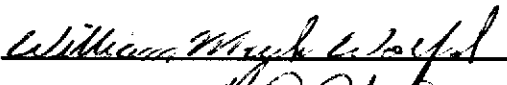

Old Business

- **Route 25 Project**
 - Millings in the center of Rt 25 will begin Aug, 9th. Will move to the east side next.
 - Storm drains will remain humped until concrete can be poured to final height.
 - If there are issues with John Foos and construction crews, the Sheriff is to be called.
 - At least 80 more loads of millings for the Park. Mayor to show Palmer where to put them until they can be used. Heights of the parking lots for the ball field will be raised by 6 inches to minimize flooding.
 - Extra millings left over can be used to help residents with pot holes in driveways and other resurfacing needs throughout the Village.
- **OPWC Force Main:** Paper work in process, Village legislation to be sent out.
- **Street Repairs**
 - Master plan needed for street repair within the Village. 1995 was the last time streets were re-paved. Look into information on upcoming grants to help with this project.
 - Focus on Water St first, then move onto other side streets.
 - 1st: Water Street
 - 2nd: Knaggs and Blackford Street (together)
 - 3rd: Second and Third Street (together)
 - 4th: Portage Rd/Main Street (after force main project is finished)

New Business

- Redline might be closing.
- Storm drains to be reevaluated after Rt 25 is finished.
- A vehicle was reported to have gone airborne over the railroad crossing located on Main St. Oil pan was broken along with transmission parts. Vehicle information was recorded. The height of the railroad tracks causing problems/damage. Look into possible fixes, drains may need to be relocated.
- Palmer to take dirt along Knaggs St.
- Lake Erie West is having a meeting on waste water and sewage tank funding.
- Income surveys will be due for review and submission in January.
